

HERE'S HOW THE SOY CHECKOFF WORKS

The national soy checkoff was created as part of the 1990 Farm Bill. The federal legislation that created the soy checkoff requires that all soybean farmers pay into the soy checkoff at the first point of purchase. These funds are then used for promotion, research and education at both the state and national level.

*FARMERS SELL BEANS TO ELEVATORS,
PROCESSORS AND GRAIN DEALERS.*

1/2 of 1% of the total
selling price.

Collected per
federal legislation.

0.5%

PROMOTION

RESEARCH

EDUCATION

Half goes to the Ohio Soybean Council for investment* in areas that are a priority for Ohio soybean farmers.

ROI TO THE FARMER

Half goes to the national checkoff for investment in USB's long-range strategic plan.
