

Overview

The Ohio Soybean Association (OSA) and Beck's Hybrids share the belief that building a grassroots network of young agricultural leaders is important to the continued success of the soybean industry and all of Ohio agriculture. For this reason, OSA and Beck's Hybrids have partnered to create the Beck's Young Farm Leader Program to showcase the hard work, dedication and leadership of young Ohio farmers.

One farmer each quarter will be chosen by a selection committee consisting of OSA and Beck's Hybrids representatives. Each farmer selected will be highlighted in a story published in several Ohio agricultural publications. The stories will focus on the individual's leadership roles, both on and off the farm, and how he or she has built a foundation for farming success.

One of the Beck's Young Farm Leaders will be selected as the 2015 Beck's Young Farm Leader of the Year and receive a trip for two (\$2,000 value) to the 2016 Commodity Classic in Nashville, Tennessee. Beck's Young Farm Leaders may also be chosen to attend OSA and/or Beck's Hybrids leadership training programs, board meetings, events and other relevant activities.
