Ohio Soybean Council
Foundation

Spring 2011

District Science Day Awards

Congratulations! Your science fair project has been chosen to receive one of the Ohio Soybean Council Foundation Science Awards for 2011. Your project met the criteria and was judged one of the "outstanding student projects in the area of agriculture biosciences, bioresources, biopolymers, bioproducts, and/or biofuels using soybeans".

Please complete and return the award forms. You may include or upload a photo, video, or short podcast to illustrate your project. Within a month you will receive a certificate and a check for \$100 from the Ohio Soybean Council Foundation.

The Ohio Soybean Council is proud to support education and inquiry in the fields of science and engineering. You may wish to visit www.soyohio.org to follow the entire District and State Science Day Winners and their projects. Best of luck to you as you continue your research and inquiry into the uses of soybeans.

Sincerely,

Kirk B. Merritt
Director, Outreach and Programs
