

Ohio Soybean Bioscience Awards Judges Form
Sponsored by the Ohio Soybean Council Foundation
District _____ Date _____

Ask the student to explain his or her project. Please remember that you are looking for *outstanding projects in the area of agriculture biosciences, bioresources, biopolymers, bioproducts, and/or bio-fuels using soybeans.* Some sample titles of potential soybean projects might be: *Heat Output of Diesel and Biodiesel, Miracle Grow and Plants, Microwave Effects on Bean Seeds, What is the Trick to Green Fuel, Plastics vs Rubbers, Plantastic Bean Sprout Plastics.*

Please list the student name, school, grade and the project title for those students interviewed for the Ohio Soybean Bioscience Award. Be sure to indicate which students won the 3 awards. Feel free to duplicate this form as needed. Please return completed forms in the envelope we provided. (Ohio Soybean Council Foundation, 918 Proprietors Road, Suite A, Worthington, OH 43085)
