Register at www.soyohio.org/hometown

Agenda

4:30PM - Dinner and Fellowship

5:30PM – Policy Perspectives: A Panel Discussion with Farmer Advocates and Legislators – Moderated by OSA Deputy Executive Director and Senior Policy Director Brandon Kern

- Hear from Congressman Bob Latta, State Representative Riordan McClain and farmer leaders Bennett Musselman and Dave Green about policy proposals that impact your farming operation

6:15PM - Ohio Farm Financing: Growth, Stress, and Key Takeaways

- Our partners from Farm Credit will discuss both the growth and stress being observed from an industry perspective along with trends in land values and land in transition.

6:45PM – Checkoff Update: Growing Soy-Based Biofuels in Ohio – Pete Probst, President and Co-Founder of Indigenous Energy

- With new crush expansion and growing demand for green energy, Ohio can capitalize on the increasing demand for soy-based biofuels. See how checkoff-funded analysis shows the vast potential to grow demand for Ohio soybean oil.

7:15PM – Ohio Crop Tour Results and Realizations – Moderated by Ty Higgins, General Manager of Ohio's Country Journal

- The Ohio Ag Net and Ohio's Country Journal Crop Tour team will present observations and yield insights gathered from fields across the state.

THANK YOU TO OUR OHIO SOYBEAN HOMETOWN TOUR SPONSORS!
