ASSOCIATION

OHIO SOYBEAN HOMETOWN TOUR

August 18, 2026

Stucke Farms – 11411 State Route 185,
Versailles, OH 45380
8:30AM – 12:00PM

Register at www.soyohio.org/hometown

Agenda

8:30AM - Breakfast and Fellowship

9:00AM – Policy Perspectives: A Panel Discussion with Farmer Advocates – *Moderated by Kiley Holbrook, Ohio Soybean Association Policy Manager*

- Hear from Ohio soybean farmers Patrick Knouff, Bob Suver, and Matt Aultman about policy proposals that impact your farming operation.

9:45AM - Ohio Farm Financing: Growth, Stress, and Key Takeaways

- Our partners from Farm Credit will discuss both the growth and stress being observed from an industry perspective along with trends in land values and land in transition.

10:15AM – Checkoff Update: Soy Foam Firefighting Demo with the Greenville Fire Department – *Madi Corbi, Ohio Soybean Council Director of Demand & Market Development*

- With the help of soy checkoff funds, a new firefighting foam is now available that is safer for our first responders, our communities, and our environment. See Soy Foam in action as we help in the fight against forever chemicals!

10:45AM – Hands On Ag Tech for Soil Structure and Analysis – *Dr. James Uphaus, Rhodes State College*

- Been wanting to try the newest technology for soil health and data management? Now's your chance! This hands-on workshop will offer the chance to try the latest equipment and software, without the pressure to buy.

THANK YOU TO OUR OHIO SOYBEAN HOMETOWN TOUR SPONSORS!
